Welcome to the Edward Marcus Ltd' Retail Catalogue.

Edward Marcus Ltd is the UK's premier supplier of magnifiers, low vision aids, lighting and daily living products. A friendly, family run business established in 1945.

Following is our retail catalogue showing the range of products we supply.

Edward Marcus is in a unique position by supplying the widest range of low-vision aids and magnifiers from the world's leading manufacturers.

Being a Coil Master Distributor for the UK and Ireland and holding the largest stock of Coil & Eschenbach magnifiers within the UK, we supply to the general public, blind & partially sighted associations, hospitals, schools, opticians, optometrists, low-vision schemes and in addition we are also the sole supplier to the Welsh Assembly Low Vision Scheme; which incorporates over 200 opticians; the PK National Eyecare Group and Sight Care Services.

At our office and warehouse facility, as well as stocking Coil and Eschenbach products, we also stock products from other world leading manufacturers; such as:-

Daylight Company, Specwell, Noir Medical, Enhanced Vision, LHP, Bierley, Praktica, Ottlite, Optelech, Visualeyex and stock a wide range of products supplied by the RNIB.

A full refund will be given for any product that is not suitable, when returned in new condition in original packaging.

Terms and Conditions of Supply

The prices in this list are retail prices and are net of VAT.

All invoices will be priced based on the price ruling on the date of supply.

These may be amended without prior notice, due to currency fluctuations of supplier price rises. All goods remain the property of Edward Marcus Ltd until paid for in full. E.& O.E.

Value Added Tax. (VAT)

U.K. – All prices quoted are subject to VAT at the rate ruling on the date of supply. For those eligible to claim zero rating please ensure a zero rating declaration form is supplied with your order for all items that are eligible for zero rating. (www.ic-online.co.uk/vat.pdf)

Other European Union Countries – all prices quoted are subject to UK VAT at the rate ruling on the date of supply (unless we are supplied with the customer's VAT number at time of order)

Non European Union Counties - VAT is not applicable

Stock:

We endeavour to supply from stock unless indicated, however on occasion goods will have to be ordered or may be delayed due to supply problems from manufacturers or importers. 98% of all orders are despatched within 24 hours.

Delivery and Packing:

Mainland U.K.

Orders sent by Royal Mail, a £3.50 Packing and Postage charge will be added to your invoice if not eligible for the freepost 'Articles for the Blind' service.
